BACK TO THE ESSENCE

Located in the southeastern foothills of Montserrat, near Barcelona, Ca n'Estruc is a family winery with deep roots in winegrowing and winemaking, dating back to the 16th century. The /BI/ project was created in 2014 by Anna Martí with a clear purpose: to return to the essence, letting land, grapes and time guide each step.

The vineyards are farmed according to the principles of organic and biodynamic viticulture.
